

HALLOWEEN HALF TERM 2015

for Pre-School and Holiday Club Children

Monday 26th October

Halloween half term has arrived! We will be kick starting our week with some Halloween crafts, ranging from puffy pumpkin painting to making our very own piñata! In the afternoon we will be having a browse online for some spooky Halloween face painting ideas then putting them in to practice!

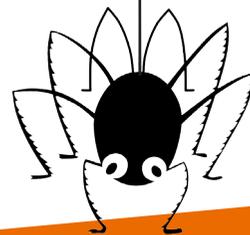

Tuesday 27th October

Today we will be building a fire in the garden, so in the morning we will be heading down to the woods to collect some sticks, twigs & hopefully branches. After lunch we will get the fire burning, and get the marshmallows melting ready for some smores! Once our tummies are full we will be telling ghost stories round the fire.

Wednesday 28th October

Today we are heading over to the owl sanctuary for the day; we will be meeting all the spooky owls and all the other animals. We are going to go on a little hunt around the owl sanctuary and see what treasure we can find.

Additional charge of £7.50,
please bring a drinks bottle
and packed lunch.

Thursday 29th October

Today we are going to become Halloween scientists! So get out your lab coats & goggles and get ready to experiment! We will be making spooky expanding ghosts, exploring cosmic colours and seeing if we cast a spell on the worms to make them dance! We will also be carving some pumpkins!

Friday 30th October

It's the last day of our half term ☹️ but on a plus side, it's only one day till Halloween! Today we will be spending the day prepping for our party! There will be a range of different games, tasks. Tricks and treats to enjoy. From edible sensory mud to apple bobbing to dress the mummy! There will be some yummy party food too.

Please come in your
spookiest fancy dress!!
