

## **JUNE NEWSLETTER**

**Rachel Jones, CEO**

Welcome everyone to our June Newsletter!

I am sure you all, like me, love to read what amazing activities our team plan each month for your children which support them educationally, creatively and build such memories for them for when they grow older. However, I am particularly grateful to those within our community who take the time to come in and visit our children throughout the year, which brings me to say a massive thank you to our local Police who, despite the tough and tragic times our country are experiencing at present, our local Police Force still find the time to come and visit our Pre-School children early this month.

I feel now more than ever, it is important that our children feel safe and build relationships with those who are here to keep them safe which is not only their families, friends and ourselves, but the wider community. As a team, we do safeguard our children in many ways but more importantly we embed our 'British Values' and celebrate the cultures of all in the hope we play our part in helping to prepare your children for a future as confident, well rounded, young people.

Have a great month!

Rachel

**Abi, Under Twos Manager**

This month the Under 2's are going to be exploring the Seaside and what is under the sea. We are going to be exploring dry and wet sand, shells and rock pools, this links into understanding the world.

We are going to be exploring dry and wet sand, shells and rock pools to help the children develop their confidence with exploring different textures.

If the weather allows us, we hope to take some trips down to the local beaches, where we will be able to collect shells, explore in the rock pools and feel the sand between our toes. This all links to exploring and using media and materials and people and communities.

Back at the Nursery we will be getting very creative making Father's Day cards for all our lovely daddies or grandads. We will be creating crafts relating to the sea side such as fish sun catchers, shell printing and decorating buckets and spades.

We are very excited to be planning a trip to the Seal Sanctuary with the children, letters will be sent out soon.

**Claire, Little's Manager and Day Care Manager**

During the month of June in the Little's room we will be learning about animals at the Zoo and animals on the farm. These themes link to understanding the world in the EYFS. We also hope to take a trip to Rachel's house to meet her chickens and new pigs. There will be lots of sensory exploration and lots of different types of artwork, both inside and outside, which links to expressive arts and design in the EYFS.

We will also be focusing on the numbers 1 to 5, encouraging the children to use numbers in play, which links to mathematics in the EYFS.

Just a quick reminder can you all please send children in with sun-cream applied and sun hats, as we like to extend their learning to the outside area.

**Lynn, Pre-School Manager**

What an exciting and busy month we have planned with our topic- 'people who help us in our community'. This allows the children to understand the world we live in. We will be inviting lots of members of the community into our Preschool throughout the month including the Mayor of Falmouth, Cornwall and Devon Police, Cornwall Fire and Rescue, South West Ambulance Service and HM Coastguard. We also have some other special visitors coming in to

talk about their jobs in the community including a doctor, vet, dentist and librarian. If you or a member of your family help us in the community and would like to share your story with the children, we would be delighted to hear from you.

Our role play area will be turned into a fire station this month encouraging the children to use their imagination and develop their personal and social skills.

We will continue to take part our daily phonics activities allowing the children to develop their communication and language in a fun way!

As it is Father's day this month, we will be making some lovely cards for dads or grandads.

As the hot weather is fast approaching I would be grateful if the children could come to Preschool with sun cream already applied and we will be able to top it up throughout the day when necessary. Not forgetting a sun hat also!

The children's new reception teachers will be coming in to visit the children between now and the end of July. I will let you all know the selected date your child's teacher is due to visit.

The Preschool team would like to wish Emma the very best of luck for the future as it is her final day on the 9<sup>th</sup> June. You will be greatly missed by both staff and the children alike. Thank you for your hard work and support Emma! Marie and Georgia (who many of you know very well as both have been with us for 13 and 5 years respectively) will be taking over from Emma.

#### **Date for your Diary:**

**Our Sports Day and Graduation Day will take place on Thursday 20<sup>th</sup> July at the Bosvale Community Centre (time to be confirmed).**

**Allana, Out of School & Holiday Club Manager**

We had a brilliant holiday club at the beginning of June, with visits to Roskilly's, Argyle Dam and Rachel's small holding to see the animals.

Throughout June we will be having a discovery month; we will be doing lots of science experiments, as well as tasting different foods. We will also be exploring our senses and mixing colours and textures together.

We will be having a fun treasure hunt, as well as all the normal activities we do.

#### **REMINDERS**

**Tapestry** - Don't forget to log into your child's tapestry to see what they have been up to at the Nursery. We love it when you add your own observations; if you need the email link re-sending please speak to Vicky or Karen in the office who will arrange this.

**Fundraising** - We will be taking part in the fundraising day on Saturday 10<sup>th</sup> June at 2pm, on Gyllyngvase Beach which is raising money for the Hazel Brown Trust, which will allow young people to experience adventure. Please come along and see us, there will be lots of fun things going on for the children to do, and we would like to do as much as possible to support this lovely family.

**30 Hours Funding** – Don't forget you can apply for the 30 hours funding which starts in September for Pre-School. If you are unsure how this works, or would like more information then please speak to Vicky in the office.

For more information or to book please call 01326 379428 or
