

# Easter Half Term

2017

Monday 3<sup>rd</sup> April: The Easter holidays have landed and we have some lovely Easter themed crafts to kick start our time off! We will be starting with some Easter cards, using a variety of feathers, googly eyes, handprints and maybe even feet if we're feeling brave enough! Once our cards are made and we are waiting for them to dry we will be making some Easter keepsakes from salt dough. We will also be using our imaginations and seeing what other Easter creations we can produce.

Tuesday 4<sup>th</sup> April: Today we will be heading to Maenporth beach. We will be exploring on the beach to see what beach treasures we can find. Once we have collected some beautiful pebbles, stones and shells. After a picnic lunch we will be staying on the beach and have an ice-cream, we will also be having a sand sculpting competition. The children will work in groups to see who can create the most imaginative sand sculpture. **\*Don't forget to bring a packed lunch, a drink, and waterproofs just in case of some April showers. An additional cost of 2.50 will be added to invoice for an ice-cream\***

Wednesday 5<sup>th</sup> April: Today in our holiday club we will be creating some eggcellent creations with our beach treasure. Get prepared for a morning of creative mess! After lunch we will be boiling some eggs, and peeling the top off and eggstracting the egg ready to make some cress heads.

Thursday 6<sup>th</sup> April: Today we are going for a more chilled approach in holiday club, after last half terms success. We are having a pyjama and game day! Today your child is able to bring in a game of their choosing. We will be kicking back and relaxing today; playing our games, playing on the PlayStation and Wii and trying to create a cosy area to relax in. We will be getting out the nail varnish and making our own face masks too.

Friday 7<sup>th</sup> April: Today is baking day! Today we will be looking at some traditional Easter baking and switch it up a notch and try and get creative with it! We will be making Rice Krispy cakes...but inside an egg mould with a surprise in the middle. We will also be making cheese straws... but adding our own special Easter twist.

Monday 10<sup>th</sup> April: Today we will be becoming chocolatiers! We will be attempting to make our own Easter eggs! We will be getting out some Easter egg moulds, melting the chocolate and finding some nice treats to put inside before sealing them up. Whilst our eggs are hardening up in the fridge we will be getting super crafty! We will be making and decorating our own clay decorations!

Tuesday 11<sup>th</sup> April: Today we will be making and creating beautiful baskets and egg holders ready for our annual Easter egg hunt. We will be using all of our creative skills to make some rabbits, chicks and lamb baskets. This year we will be adding a little twist to our hunt...this year we will be adding another room to search around. There will be clues and a map to follow, but also we will need to keep our eyes peeled as some of the egg hunt is in the dark...Who will find the most glowing eggs and chocolate eggs, and go home with the big prize?

Wednesday 12<sup>th</sup> April: Today we will be heading out in the cars and going *Geo Caching!* After lots of lovely feedback from our children we thought we would revisit some of the caches in Falmouth and hopefully find some new ones to add our names too and tick off our list! We will be heading up to Argal Lake to stop for lunch and have a little walk around up there to get a couple of extra caches ticked off the list.

Thursday 13<sup>th</sup> April: Today is science day! Today we will be taking part in some spring time experiments. We will be watching a rainbow grow, exploring what happens when you mix Mentos with coke, making mini lava lamps using oil, vitamin c and water, skittles colour changing experiment and we will also be exploring with marshmallows and toothpicks to watching and finding out how fast our heart beats. If the weather is good after lunch we will be heading to the garden with our cushions and blankets ready for a fire and some toasted marshmallows.

CLOSED GOOD FRIDAY AND EASTER MONDAY! ☺ x

**\*\*Please note activities may change if we have inclement weather conditions. For more information or to book a space please contact us on 01326 379428\*\***
